

## ROOMIES SCHOOL TOUR DETAILS FOR BOOKING

In 2016 Hubcity Theatre is bringing ROOMIES and its important message to our local high schools and post-secondary schools. ROOMIES is available for performances from **September 26 - November 25 2016**. Dates outside this time period may be negotiable on an ad-hoc basis.

### **Booking Costs\***

Hubcity Theatre is a non-profit company. All funds are reinvested into our arts programming we provide in our communities. We also respect financial challenges of our schools and its students. That's why we offer one of the most competitive rates in the area for a school performance.

### **1 Performance**

**\$400** (if booked before June 15, 2016)

**\$450** (if booked after June 15, 2016)

*\*Costs may be reduced with a stipend from the province. This funding access is TBD.*

ROOMIES is a family friendly show for those aged 14 and above - as it does address some adult themes. For this reason, ROOMIES is an ideal theatre opportunity for high schools. A ROOMIES booking includes:

- 90 minute show
- Opportunities for students to speak with the playwright and actors after the show
- Optional panel discussion with a particular arts, drama or special interest group or class after the performance (*could be a separate date if needed*)

### **Performance Space Requirements:**

Schools do not have to house a formal theatre setting to book. ROOMIES tours with a portable set and lighting/sound system. This allows us to perform in any space measuring approximately 800 sq ft. This space encompasses both our required performance and backstage area. The production requires outlet power access to run light and sound. The production takes responsibility for stage/performance area set up and safety standards. A producer is on site at all times to ensure your space is left as it was found with no damage and no need for clean up.

### **Audience Maximums/Seating**

We charge a flat rate per performance. Audience numbers and accomodation (seating/floor seating) are at the discretion of the host school. Audience set up (seating/floor space) is the responsibility of the host school. We would recommend a maximum of 100 audience members to maintain the intimacy of the show - but this is negotiable based on the the educational institution's needs.

**Performance/Set up times**

Roomies is a 90 minute show. Our crew requires one hour before performance for set up and a half hour after performance for dismantling. We are committed to leaving your space in its original condition with a producer on site to ensure no damage or need for cleaning after we visit.

**BOOK NOW!**

We're accepting bookings by schools and communities now for 2016. To plan a booking or learn more:
